Count—Martin's Catch
Pretty Feature

In a game featured by free hitting of both clubs, Clemson defeated Auburn at Cater Athletic field yesterday afternoon by a score of 5 to 4. About 500 fans, composed of ladies and men in about equal number, saw the game. Clemson's first run came in the fourth and in the fifth three more were counted. With the score 4 to 0 in the sixth Auburn came up and batted out three runs and in the following inning counted another, tying the score. McMillan untied the score in the last half of the ninth with a fierce drive past second base, scoring Parker. Who had gotten on with a clean hit into right field. The game lasted nearly two hours, and save for the beautiful one hand catch of Martin in the 7th, there were no features of special note. Martin went back into deep center and pulled down DuCote's long drive which looked good for at least two bases. Clemson drove out 13 hits and Auburn 11. Five two-base hits were made, and had it not been for the ground rules making this the limit on any hit, at least three of these would have gone for three baggers and possibly for a home run. HOME WAS BURNED

The home of Mrs. Mary A. Shirley situated just east of Dobblins bridge was burned Thursday afternoon, entailing a loss of about \$2,000. The house was a six room house and together with the contents was valued at about \$2,000. Insurance was carried with the Anderson County Mutual Insurance company. The fire started early in the afternoon, the origin unknown, and the family being at home made an effort to save a portion of the furniture. The effort was futile for the flames spread very rapidly over the dry place and in a short time the building was entirely destroyed.
